) OUT OF TIME

This matter comes before the Public Service Commission of South Carolina (the Commission) on the February 27, 1996, Petition of Citizens Fuel Company (Citizens or the Company) to Intervene Out of Time in this Docket. Citizen states that it is a natural gas marketing company seeking to do business in this state and that it has only recently become aware of this proceeding and is therefore moving to intervene out of time.

Citizen offers that its participation in this matter will provide input that will allow the Commission to consider more fully the important issues involved in this Docket. Citizen further states that its will comply with all further deadlines and that its late intervention will not delay the proceedings nor prejudice positions taken, testimony prepared, or otherwise unduly impact the flow of the proceedings or the efforts of the participants.

The Commission has considered the Petition to Intervene Out of Time propounded by Citizens and believes that the relief sought by the Petition should be granted. The Commission believes that

intervention at this time in this Docket is appropriate and therefore grants the Petition to Intervene Out of Time filed by Citizens Fuel Company.

This Order shall remain in full force and effect until further Order of the Commission.
